for **VALUE,**
style, appear-
ance, workmanship and
fabric.

And it's hardly any use to compare
—except to make you appreciate
Hauger values more. You can't ex-
pect stores with less buying power,
larger expenses, smaller volume,
larger profits, to offer you clothes of
equal value at the same price. That's
why most men wear Hauger Clothes
and are better dressed at a big saving.
Just keep on buying Hauger Clothes
and you will keep on getting most for
your money.

E. W. FORSTNER TO JOIN COLORS

Must Report to Eastern Avia-
tion Training School on
March 30.

Ernest W. Forstner has been or-
dered to report at an eastern college
for training on March 30. Young
Forstner passed examination for en-
trance into the aviation section of the
signal corps sometime ago, and will
be inducted into the service by the
county exemption board on March 17,
and will leave at once for his field of
duty.

Mr. Forstner started in the automo-
bile business in this city in 1905, and
most of this time has been connected
with the sales department of the Chat-
tanooga Automobile company, of which
he is at present sales manager. He
was connected with the Coburn Mo-
tor Car company, of Norfolk, Va., for
six months during 1917, as manager of
the Studebaker service for Virginia,
North and South Carolina. Ernest W.
makes the fourth of the Forstner
brothers who have joined the colors.
They are Frank, now on a torpedo
boat destroyer; Joe, serving on a U.
S. transport; James L., of Company
B, 114th machine gun battery, now at
Camp Sevier, Greenville, S. C., and
Ernest W., of the aviation section of
the signal corps.

HELEN C. HOERLE

Gray hair, however handsome, de-
notes advancing age. We all know the
advantages of a youthful appearance.
Your hair is your charm. It makes or
mars the face. When it fades, turns
gray and looks streaked, just a few
applications of Sage Tea and Sulphur
enhances its appearance a hundred-
fold.

Don't stay gray! Look young!
Either prepare the recipe at home or
get from any drug store a bottle of
"Wyeth's Sage and Sulphur Com-
pound," which is merely the old-time
recipe improved by the addition of
other ingredients. Thousands of folks
recommend this ready-to-use prepara-
tion, because it darkens the hair beau-
tifully, besides, no one can possibly
tell, as it darkens so naturally and
evenly. You moisten a sponge or soft
brush with it, drawing this through
the hair, taking one small strand at a
time. By morning the gray hair dis-
appears; after another application or
two, its natural color is restored and
it becomes thick, glossy and lustrous,
and you appear years younger.

Wyeth's Sage and Sulphur Com-
pound is a delightful toilet requisite.
It is not intended for the cure, miti-
gation or prevention of disease.—

FIRST WOMAN COOK IN NAVAL RESERVE

Jack Tars seldom complain about
their meals—they're pretty good. Just
the same, there are delicacies which
women fix that—well—men just don't.
So all the naval men are hoping that
this girl, Helen C. Hoerle, the first
woman cook enrolled in the naval re-
serve, will teach cooking around where
they're eating. She's to be a cooking
instructor.

REED SELECTED HEAD OF AUTOMOBILE CLUB

Col. Henry Page Thanks Auto-
lists for Assistance in Enter-
taining Visiting Surgeons.

Members of the Chattanooga Auto-
mobile club elected for its president
E. D. Reed at the regular meeting
held Thursday night. Mr. Reed is the
successor of the late Albert H. Rog-
ers. The new president was elected
without opposition, his name having
been selected by a nominating com-
mittee, composed of seven members
of the club.

The members of the club decided to
invite Surgeon-General William C.
Gorgas, of the United States army, to
spend his vacation in Chattanooga
this summer. It was the general opin-
ion of the association that the sur-
geon-general would accept an invita-
tion of this kind.

It was also announced that a num-
ber of the high army officials and
doctors, who were here last week at
the dedication of the medical audi-
torium, will return to the city on April
6. In view of this those members who
served on the entertainment com-
mittee were instructed to remain in or-
ganization and make plans for that
occasion.
Sidney Elmore, chairman of the

"theft committee," gave a report of
the plans which had been worked out
by his committee to reduce the num-
ber of stolen automobiles in Chat-
tanooga. The plan was the arrangement
of a system with a garage in every
town within a radius of 100 miles of
the city, and, when a machine is stolen,
all of these garages will be notified to
be on the lookout for it. It was an-
nounced that John H. Harris, of At-
lanta, secretary of the automobile
theft committee of that city, will ad-
dress the local association at its next
regular meeting.

J. Read Voigt, John R. Evans and
Baxter Bender were appointed on a
committee to draft suitable resolu-
tions on the death of the former pres-
ident, Albert Rogers, to be sent to his
family.

The following letter, from Col.
Henry Page, of Camp Greenleaf, was
read to the members of the club:
"Mr. F. H. Cantrell,

"Chattanooga Automobile Club,
Chattanooga, Tenn.

"Dear Mr. Cantrell:
"Expressions of wonder, surprise
and delight were heard from the mem-
bers of the medical advisory board of
the Council of National Defense at the
very courteous action of the members
of your committee and club in not
alone placing their automobiles but
themselves at the services of our
guests during their recent visit in
Chattanooga.

"The success of the occasion is in
large part due to your efforts and it
is difficult to adequately express not
only my own thanks but those of our
guests. I have never seen such as
you are and never expect to. Your
ex-mayor said in a speech the other
night that Chattanooga claimed me
as her own. I have told him that the
capture was no triumph, because
everybody would gladly surrender
heart and hand to Chattanooga. You
have a most willing captive.
"Very sincerely yours,
"HENRY PAGE."

Dr. Barker to Deliver Lecture at Stone Church

Dr. C. E. Barker will deliver the last
lecture of his series at the First Meth-
odist church, corner of Georgia and
McCallie avenues, on Friday evening.
He is to speak on "How to Live One
Hundred Years." He has delivered
this lecture 125 times in Y. M. C. A.'s
over the country, and it is said to be
the best of his series.

The Y. M. C. A. membership dinner
in the Central association auditorium
Thursday evening was featured with
an address by Dr. Barker on "Patriot-
ism and Good Health."

"How to Make the Most of Life" was
the subject of his message to the stu-
dents of the University of Chattanooga
at the chapel hour.

All the available space in the Y. M.
C. A. auditorium was taken when Dr.
Barker addressed the ladies of the city
on "A Mother's Relation to Her Daugh-
ter." In order to accommodate those
who could not be seated in the main
room, adjoining rooms were opened up.

Students of Chattanooga High school
heard the same message that Dr. Bar-
ker delivered to university students.
He put before the students a new con-
ception of education and its true mean-
ing.

Since his opening address Sunday
afternoon at the First Baptist church
Dr. Barker has been meeting audiences
of increasing size and interest.

WOULD ALMOST GO INTO SPASMS

Would Lose Her Breath From
Coughing, She Says.

HAD COUGHED 12 YEARS

Thought She Would Never Get

Well, but Lung-Vita
Gave Relief.

"I have suffered with a bad cough
for about twelve years and had tried
various kinds of remedies, but could
not get rid of it," says Miss Maggie
Wallace, who lives at 11 Trimble
street, Nashville, Tenn. "I would
cough so hard at times that I would
almost go into spasms and it looked
as if I would lose my breath. I was
very much troubled, for I thought that
I would never get rid of this cough.
Lung-Vita was recommended to me
as the best medicine I could get for my
trouble. I commenced to take it and
have taken nine bottles, but I have
been entirely relieved of my cough and
am getting along fine. I do not think
any one will make a mistake by get-
ting a bottle of Lung-Vita if they are
troubled with a bad cough, for it is
the finest thing I ever saw for such
things."
Lung-Vita is sold by druggists and
dealers.—(Adv.)

THE NEW CALOMEL IS HARMLESS AND DELIGHTFUL

All Sickening and Dangerous
Qualities Removed—Medici-
nal Virtues Vastly Improved.
New Variety Called "Calo-
tabs."

Science has given us smokeless pow-
der, colorless iodine and tasteless quinine—now comes tasteless calomel,
a new variety known as Calotabs, that
is wholly delightful in effect, yet more
effective than the old style calomel as
a system-purifier and liver-cleanser.
Your doctor prefers calomel above
all other medicines, as it is the best
and only sure remedy for biliousness,
indigestion and constipation. Now
that calomel is delightful to take,
everybody is asking for the new va-
riety, Calotabs. One tablet at bedtime,
a swallow of water—that's all. No
nausea, no griping, no danger. Next
morning you wake up feeling fine, your
liver cleansed, your system purified.
Eat what you please—no restriction of
habit or diet.

Calotabs are sold only in original,
sealed packages, price thirty-five
cents. Your druggist recommends and
guarantees Calotabs.—(Adv.)
